## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: None of the prior art alone or in combination discloses a DC/DC converter that has the following features a primary side bridge rectifier that communicates with the primary side and includes a first leg that is connected across said input voltage and includes a first switching circuit and a second switching circuit, and a second leg that is connected across said input voltage and that includes third switching circuit and a fourth switching circuit, a switch controller that employs zero voltage switching (ZVS) to control said third and fourth switching devices and hard switching to control said first and second switching devices.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
